# NZ IAS 10: EVENTS AFTER THE REPORTING PERIOD

Effective Periods Beginning 1 January 2007

### **DEFINITION**

Favourable or unfavourable event, that occurs between the reporting date and the date that the financial statements are authorised for issue.

An event after the reporting date that provides further evidence of conditions that existed at the reporting date. Examples:

- · Events that indicate that the going concern assumption in relation to the whole or part of the entity is not
- Settlement after reporting date of court cases that confirm the entity had a present obligation at reporting date.
- Bankruptcy of a customer that occurs after reporting date that confirms a loss existed at reporting date on
- · Sales of inventories after reporting date that give evidence about their net realisable value at reporting date.
- · Determination after reporting date of cost of assets purchased or proceeds from assets sold, before reporting
- · Discovery of fraud or errors that show the financial statements are incorrect.

Financial statements are adjusted for conditions that existed at reporting date.

## **GOING CONCERN**

An entity may not prepare its financial statements on a going concern basis if management determines after the reporting date either that it intends to liquidate the entity or to cease trading, or that it has no realistic alternative but to do so.

An event after the reporting date that is indicative of a condition that arose after the reporting date.

- Major business combinations or disposal of a subsidiary.
- · Major purchase or disposal of assets, classification of assets held for sale or expropriation of major assets by
- Announcing plans to discontinue operations.
- Announcing a major restructuring after reporting date.
- · Destruction of a major production plant by fire after reporting date.
- · Major ordinary share transactions.
- · Abnormal large changes after the reporting period in asset prices or foreign exchange rates.
- · Changes in tax rates or tax law.
- · Entering into major commitments such as guarantees.
- Commencing major litigation arising solely out of events that occurred after the reporting period.

Financial statements are not adjusted for conditions that arose after the reporting date.

Dividends that are declared after reporting date are non-adjusting events

Disclose for each material category of non-adjusting events:

- . The nature of the event: and
- An estimate of its financial effect or the statement that such estimate cannot be made.

# DISCLOSURES FOR ADJUSTING AND NON-ADJUSTING EVENTS

- Date of authorisation of issue of financial statements and by whom.
- If the entity's owners or others have the power to amend the financial statements after issue, the entity shall disclose that fact
- For any information received about conditions that existed at reporting date, disclosure that relate to those conditions should be updated with the new information.
